The 2004 Virginia Student / Parent Mock Election

Issue Ballot VSPME Ballot Part 2

Please read and consider each issue question carefully, and then clearly mark your choice for each one separately by circling the answer choice.

1. Of the issues listed below, check the box next to the one that you feel is the most important issue facing the nation today.

- A. Fighting Terrorism/Homeland security
- B. Job creation and economic growth
- C. Controlling Healthcare Costs
- D. Improving American Schools

2. Which of the following statements most closely matches your views on the debate between homeland security and civil liberties?

- A. Civil Liberties are unimportant compared to the need to maintain homeland security
- B. It is worth reducing some civil liberties for greater security at home.
- C. Homeland Security and civil liberties are about equally important
- D. There is nothing more important than defending our civil liberties, even if it makes the country less secure

3. Which of the following statements most closely reflects your views on economic policy?

- A. The government needs to reduce taxes and unnecessary business regulations
- B. The government should try to strengthen the economy by spending more money on education and job training programs
- C. The government needs to balance the federal budget and reduce the national debt
- D. The government needs to support labor unions and fight the expansion of corporate power

4. Check the box that most clearly reflects your opinion on education policy.

- A. Increasing teacher salaries and decreasing classroom sizes is the best way to improve education
- B. Holding schools accountable for the standardized test scores of their students is the best way to improve education
- C. Increasing competition between schools by allowing parents to choose their child's school is the best way to improve education
- D. Making school funding more equitable so that rural and urban school districts have better resources is the best way to improve education.
